A sign of the times to come

Work starts with the ground scrape to make ready the peninsular for 2" of Dolomite

Two shots showing partly
completed platforms.

For use by the walking disabled
and club members

Partly laid Ground Guard to two of the flagged platforms as required by the British Disabled Anglers Ass. recommendations and ready to receive the Kicker Safety Rails. Flagstones to be drilled to accommodate umbrellas, bank sticks

A well earned tea break for the Probation Service.

Views taken from the peninsular tip showing easy access for the walking disabled.

A view of the end of the peninsular showing flagged platforms awaiting kicker boards to be fitted .

View of peninsular path showing easy access to platforms.

Wansbeck & Cramlington Angling Club
Brenkley Pond Peninsular Project

The club would like to thank everyone
who helped this project in any way.

Thus enabling us to provide friendly access
to comfortable fishing platforms on Brenkley Ponds
